Please see the attached Interlocutory Application and supporting affidavit as lodged at 11.40am with eLodgment ID 1351620 and "pending" (pending status possibly because of technical glitch-- unable to update as requested by system; please see correspondence at 11.40am and 12.09pm as reproduced below).

Please note the helpful response of the Supreme Court of Victoria recently re the smoking ceremony at 9.30am on Friday 19 July 2024 prior to the 10.30 hearing before the Honourable Justice Richards as set out in the correspondence exhibited in the said supporting affidavit.

If the Honourable Justice McEvoy opts to hold the 10am hearing at Camp Sovereignty (the preferred option, see paragraph 1 of orders sought in said interlocutory application) then there will be no smoking ceremony as described above. Smoking business will occur at Camp Sovereignty

If the said judicial officer opts to hold the said hearing by videoconference to Camp Sovereignty then there will be no smoking ceremony as described above. Smoking business will occur at Camp Sovereignty.

Obviously it would be helpful to know by Wednesday 7 August 2024 what the said judicial officer decides-- in the absence of any clear direction on the hearing location the planned smoking ceremony will go ahead at 9am on the forecourt prior to attending the courtroom on level 7. An application will still be made at the commencement of the courtroom hearing that the judicial officer and your court proceedings documentation unit attend at Camp Sovereignty for (a) further hearing or (b) partial hearing or (c) informational visit to understand affidavit evidence and submissions-- so the Court may want to make arrangements for these options too.

fully after such hearings on country and on-camp. 5. All white courts now understand that Our Law precedes white supreme/supremacy courts by millennia. Few judicial officers have bothered to learn Our Law, the Law of this Land, a civilised sophisticated system for harmony with Our Mother the Land and all creatures and things. Our Law prevents ecocide, genocide and suicide. Its built-in. You need it. The poor old planet needs it.

6. We invite you to show some respect for Our Law— and feel some grief at the “national legacy of unutterable shame” (*Mabo*, 3 June 1992, in your top court) that your ongoing genocidal invasion, occupation and usurpation continues to create— by attending the smoking ceremony and our sacred fire next to the resting place of the skeletal remains of 37 unknown countrymen rescued from the Victorian Museum and other white government institutions.

7. Now produced and shown to me and marked Annexure “URT 1” are two of my affidavits in proceedings in the Supreme Court of Victoria arising from the genocide charges against Charles Philip Arthur George Windsor by Auntie Alma Thorpe and Uncle Robbie Thorpe on 20 October 2023:

- (i) Sealed affidavit 23 July 2024 setting out correspondence with the Supreme Court of Victoria concerning the smoking ceremony there at 10am on Friday 19 July 2024 and the court visit to Camp Sovereignty. PAGES 4 - 20
- (ii) Affidavit affirmed 22 July 2024 setting out documentation of the said smoking ceremony and the campfire prepared to welcome the invited court to Camp Sovereignty the same day. Note: the Honourable Justice Richards on Wednesday 24 July 2024 refused to accept this affidavit for filing and an urgent application for leave to appeal the said refusal was submitted for filing in the Court of Appeal on Thursday 25 July 2024 but rejected by Judicial Registrar Pedley-- and this rejection was referred at my request to a Judge of the Court of Appeal on Friday 26 July 2024 for review and allocated number S EAPCI 2024 0080. PAGES 24 - 34

8. Please note also that Judicial Registrar Pedley on Thursday 25 July 2024 accepted my application for leave to appeal to the Court of Appeal against the decision (as referred to and excerpted in documents filed in the present FCA proceedings) of the Honourable Justice O’Meara in the case of *Auntie Alma Thorpe and Uncle Robbie Thorpe v Prothonotary Rod Ratcliffe and Attorney-General of Victoria* [2024] VSC 360 (25 June 2024) online at <https://www.austlii.edu.au/cgi-bin/viewdoc/au/cases/vic/VSC/2024/360.html>

Notice to Court of proposed smoking ceremony, 19.7.24

I hereby give notice to the Supreme Court of Victoria of a proposed genocide smoking ceremony at the Court at 10am on 19 July 2024 prior to the hearing before the Honourable Justice Richards of Our case concerning the prosecution of Charles Windsor for Aboriginal genocide.

It is proposed to commence preparations at about 9am outside the Court on the William Street side and all materials will be removed by 11am if not sooner.

I refer to the recent smoking ceremony at the Coroners Court on 1 July 2024 at 10.30am prior to the hearing of the death in custody of my nephew Josh. See attached photos.

I also refer to the truth-telling smoking ceremony at 10.30am on 29 April 2024 on an outdoor area several levels above ground (at the office building in which Yoorook Justice Commission is one of many tenants on Wellington St, Collingwood) on the occasion of the attendance by Premier Allan as a witness at the Yoorook Justice Commission. Commissioner Travis presented Premier Allan with a special message stick. See attached photo.

This is an invitation to all Counsel and Court officials and especially your Chief Justice as well as the general public to attend the smoking ceremony.

It is also a courtesy notice to the Court to reach out to relevant officials prior to the event to discuss any concerns about Our proposed ceremony and have further negotiations.

For example, the Court may consider inviting Us to hold the ceremony in the open air courtyard near the Library Rotunda to allay any concerns about safety on the footpath, parking spaces and roadway on William St.

Thanks,

Uncle Robbie Thorpe,

Court visit to Camp Sovereignty, 19.7.24

We invite the Judge and Legal Representatives for the Second Defendant to attend at the fire at Camp Sovereignty at 1pm on Friday 19 July 2024 because it will help you understand the submissions of the plaintiff (including exhibits to affidavits) in a realistic setting and aid you in resolving the issues.

The fire and the camp are important aspects of Our Law, the ancient unceded Law of these ancient unceded Lands. The fire and the camp are also located near the resting place of the skeletal remains of 38 Aboriginal Peoples and a visit here will help you understand the submissions (including exhibits to affidavits) concerning the ongoing Aboriginal genocide.

Please see attached two maps showing vehicular access routes to Camp Sovereignty.

Proposed itinerary:

12.40pm Court vehicles depart Court.
12.55pm/1pm cars arrive at Camp marquee (driving up path off Linlithgow Ave).
1pm Smoking Ceremony and cup of tea.
1.30pm Court vehicles depart Camp.
1.50pm Court vehicles arrive Court.

Proposed sites and sights-- see attached photo sheet.

Precedent-- ACT Supreme Court Justice Crispin accepted Our invitation to visit the campfire at the Aboriginal Tent Embassy during the Nulyarimma case (judicial review of court refusal to charge Prime Minister and every member of Parliament with Aboriginal genocide).

Notice to court of ceremonial spear, club and boomerang in hearing courtroom.

I hereby give notice that I will be bringing into the courtroom tomorrow, Friday 19 July 2024, for the hearing of the matter concerning the Aboriginal genocide prosecution of Charles Windsor before the Honourable Justice Richards at 10.30am

- (i) spear
- (ii) club
- (iii) boomerang.

These items have cultural, spiritual, historical and combat significance to Aboriginal Peoples in the same way as the robes and wigs of your lawyers, judges and court officials do in your own adversarial combative system.

They are also of course evidence of your Aboriginal genocide.

It is proposed to place the three items upon the bar table prior to the commencement of the hearing and remove them at the end of the hearing.

These items are valuable and we would request the presence of an armed security guard at all times to prevent any non-Aboriginal persons touching them.

Please alert your entrance security team that I will be carrying these objects into your supremacy courthouse and into the courtroom at about 10.20am.

Will the court please provide an armed security escort at the entrance at that time to ensure these items make it to the courtroom safely and without incident.

Will the court also ensure a liaison officer (such as a tipstaff or judge's associate) is present at the entrance at the same time to ensure no racial misunderstanding occur in my passage into your courthouse and courtroom with these items.

I note there is a precedent for this in your leading genocide case of Nulyarimma (in which I was a founding litigant) several decades ago when the Honourable Justice Crispin allowed us to bring several spears into the Canberra courthouse and courtroom for the hearing and for some of us to stand at the back of the courtroom holding the said spears.

I note that the said judicial officer also went on a view of the Aboriginal Tent Embassy with the court and counsel and stood at the fire. A similar application was made in these present proceedings yesterday by email to chambers copied to the defendants who have not yet indicated their consent to this visit to Camp Sovereignty. (Copy follows in separate email)

Thanks,

Uncle Robbie Thorpe

Dear Mr Thorpe

Thank you for your notice regarding bringing in a spear, club and boomerang into the Supreme Court for your hearing in OHC 3.

In relation to your proposed smoking ceremony I am advised Victoria Police will be present to assist with managing pedestrians and vehicles in the area while the ceremony occurs.

The Court will assist with the facilitation of the spear, club and boomerang through the security screening process. Following the smoking ceremony on William Street I have requested that G4S Security Supervisor Kadin Park meet you outside the 210 William Street entrance.

You'll then proceed through the security screening process (ie. x-ray scanning of bags and walkthrough metal detector). While you are being screened, it may be necessary for you to hand over the objects to another person until after you have passed through the walkthrough metal detector. Please ensure you have a person present with you who can handle these items while you are going through the screening process.

Kadin will then escort you from the 210 William Street entrance to the Old High Court building where the matter will be heard in OHC Court 3.

Kadin's contact number is 0437 864 908.

I hope this information is of assistance.

Regards

Liam

PLAINTIFF'S OUTLINE OF SUBMISSIONS

1. You have no jurisdiction because you have no treaty evidencing Our consent.
2. The only jurisdiction you have is so-called "universal jurisdiction" to prevent and punish genocide.
3. Thus the only action Magistrates Court can take — and **must** take under international law is to issue prosecutions for Aboriginal genocide including Charles Windsor.
4. Your elected leader has acknowledged that Our Sovereignty is the only law in this land — that explains why suddenly so keen to treaty with Us to get some kind of legitimacy.
5. The "universal jurisdiction" against genocide is part of every law everywhere and so must be part of your common law.
6. Your legislation of genocide crimes in Div 268 Criminal Code is invalid under your own Constitution because it is beyond power to implement the crime of genocide if
 - (i) you give officials (king, judges, legislators, etc) immunity and
 - (ii) if you restrict access to only one person.
7. If your Constitution is held by your judges to lawfully allow the two matters in 6 above, then your judges are committing an act of genocide with the requisite intent to destroy Aboriginal Peoples.
8. The Office of the Prosecutor of the International Criminal Court has jurisdiction to prosecute Charles Windsor, Judges XYZ and Legislators ABC because Australia is clearly unwilling and/or unable to prosecute Aboriginal genocide offences here — Article 17, Article 25, Schedule I: Rome Statute of the International Criminal Court of your International Criminal Court Act 2002.
9. Aboriginal Genocide is continuing right here right now.

1. LEGAL CONSEQUENCES ARISING FROM THE POLICIES AND PRACTICES OF ISRAEL IN THE OCCUPIED PALESTINIAN TERRITORY, INCLUDING EAST JERUSALEM, International Court of Justice, Friday 19 July 2024, Advisory Opinion

(i) Philippe Sands KC, who acted as counsel for Palestine in the proceedings, said: "This is as clear and far-reaching ruling as I have come across from this court... Its legal consequences are entirely without ambiguity, its political consequences far-reaching."

<https://www.theguardian.com/world/article/2024/jul/19/israels-settlement-policies-break-international-law-court-finds>

The case is thus much stronger in Australia where the King of England clearly never had nor asserted historical or biblical ties to Our Land. Our Lands were unknown to the British at the time of your crusades in your "Holy Lands" and there has never been a connection here to Our Lands but genocidal invasion and atrocities.

Transcript of hearing, 19 July 2024

1. At the lengthy hearing on Friday 19 July 2024 in courtroom HC3 from 10.40am to 12.45pm approximately, I omitted to request a copy of the transcript.
2. The court provided a copy of the transcript of the directions hearing on 22 April 2024 and I assumed the same thing would happen with the transcript on Friday 19 July 2024.
3. The Federal Court has recently directed the Registry of the Court to provide me with a copy of the transcripts of two hearings (13 and 17 May 2024) before the Honourable Justice Wheelahan on the basis that I am a litigant seeking the transcript who is impecunious, such that procedural fairness demands that the litigant be provided with a copy of the transcript free of charge.
4. Apart from the usual domestic litigation purposes, I need the transcript to attach to
 - (i) my submission to the Senate Inquiry into the Genocide Amendment by Friday 26 July 2024
https://www.aph.gov.au/Parliamentary_Business/Committees/Senate/Legal_and_Constitutional_Affairs/GCAHWC2024
 - (ii) my notification to the Office of the Prosecutor of the International Criminal Court that Australia is unwilling and unable to prosecute Charles Windsor for genocide; and
 - (iii) my case-proposal to UN Member States for an Advisory Opinion and/or an adversarial case against Australia on the question whether, in the absence of a treaty, all land in Australia is Aboriginal Land and all residents are subject only to Aboriginal Law and sovereignty.

2. Notice of Visit by Judge and Documentation Unit to Camp Sovereignty

(see maps at pages 12 and 13 of attached affidavit).

Please see the attached Interlocutory Application and supporting affidavit as lodged at 11.40am with eLodgement ID 1351620 and "pending" (pending status possibly because of technical glitch— unable to update as requested by system, please see correspondence at 11.40am and 12.09pm as reproduced below).

Please note the helpful response of the Supreme Court of Victoria recently re the smoking ceremony at 9.30am on Friday 19 July 2024 prior to the 10.30 hearing before the Honourable Justice Richards as set out in the correspondence exhibited in the said supporting affidavit.

If the Honourable Justice McEvoy opts to hold the 10am hearing at Camp Sovereignty (the preferred option, see paragraph 1 of orders sought in said interlocutory application) then there will be no smoking ceremony as described above. Smoking business will occur at Camp Sovereignty.

If the said judicial officer opts to hold the said hearing by videoconference to Camp Sovereignty then there will be no smoking ceremony as described above. Smoking business will occur at Camp Sovereignty.

Obviously it would be helpful to know by Wednesday 7 August 2024 what the said judicial officer decides— in the absence of any clear direction on the hearing location the planned smoking ceremony will go ahead at 9am on the forecourt prior to attending the courtroom on level 7. An application will still be made at the commencement of the courtroom hearing that the judicial officer and your court proceedings documentation unit attend at Camp Sovereignty for: (a) further hearing or (b) partial hearing or (c) informational visit to understand affidavit evidence and submissions— so the Court may want to make arrangements for these options too.

Hi Cooper,

Yes they are duplication lodgments.

After the first lodgement on Friday morning, 2 August 2024, I received a notice from elodgment_admin:

"Your lodgment has been marked **Pending**. Reason for Pending: As these documents are being filed on behalf of Uncle Robbie Thorpe, please tick the Applicant rather than the Respondent in 'Lodged on behalf of'. Kind regards, A.S".(as set out in email below at 11.40am on 2 August 2024)

When I tried to comply, I got the error message reproduced below (email 2 August 2024 at 12.09pm).

I received no response to my query email on Friday afternoon (reproduced below) but it occurred to me on Saturday that I should just re-lodge the documents making sure to tick Applicant rather than Respondent.

And it worked to the extent of the system accepting the documents for lodgement.

Thankyou for referring the (now properly lodged) documents to chambers for consideration and listing details.

1. I note that in the Supreme Court of Victoria upon interlocutory applications, inter alia, to disqualify Judges and to add the Attorney-General and others as respondents, the court vacated the usual first directions hearing by a Judicial Registrar and the directions hearing was instead listed before a trial judge. I attach the order of Judicial Registrar Conidi on 4 April 24 and the subsequent order of the Honourable Justice Richards on 22 April 2024.

53

2. Please also note that my interlocutory summons lodged 15 July 2024 (and finally accepted for filing on 30 July 2024) I sought an order for the removal of the Honourable Justice McEvoy from any further conduct of the matter and this would include as Docket Judge. And I also sought an order that the Honourable Chief Justice Mortimer have the conduct of the proceedings and refer it to an all-Aboriginal bench.

I request that Mortimer CJ take over the file and the directions hearing and that the hearing before Judicial Registrar Wilson listed for Thursday 8 August 2024 be vacated.

Thanks,

Uncle Robbie Thorpe

- C. On 24 January 2024, the plaintiff sought to appeal that decision to this Court under s 272 of the *Criminal Procedure Act 2009* (Vic). The plaintiff's proposed notice of appeal was rejected as irregular. On or about 26 February 2024, the plaintiff sought to commence this proceeding. His initial filing was rejected because it named a number of defendants who the Prothonotary considered to be unnecessary. The plaintiff refiled his originating motion on 7 March 2024, naming only the Magistrates' Court as a defendant, and it was accepted for filing.

58

- D. The Court was satisfied that there is an adequate explanation for the delay in commencing the proceeding and there are special circumstances that justify extending the time for commencement of the proceeding to 7 March 2024.
- E. On 19 March 2024, the Magistrates' Court filed a submitting appearance in this proceeding, in accordance with the principles enunciated in *R v Australian Broadcasting Tribunal, ex parte Hardiman* (1980) 144 CLR 13.
- F. The Court was satisfied that the Attorney-General of Victoria should be joined as a defendant to the proceeding, on the basis that, as the first law officer of the State of Victoria, her presence is necessary to ensure that all questions in the proceeding are effectually and completely determined and adjudicated upon.
- G. For the purposes of this proceeding, the Court will assume that:
- i. the sovereignty of the First Peoples in Victoria was never ceded; and
 - ii. all Judges of this Court, past and present, have pledged allegiance to the Crown.
- H. Accordingly, the Court will not grant leave to issue any subpoena or require responses to any notice to produce or notice to admit directed to establishing those matters.
- I. The Court was satisfied that the technical requirements in s 42G of the *Evidence (Miscellaneous Provisions) Act 1958* (Vic) were met and that it was appropriate to conduct the hearing on 22 April 2024 by audio-visual link.

THE COURT ORDERS THAT:

1. Pursuant to r 9.06(b)(i) of the *Supreme Court (General Civil Procedure) Rules 2015*, the Attorney-General of Victoria is joined as second defendant to the proceeding.
2. The plaintiff's summonses filed 12 March 2024, 25 March 2024, and 26 March 2024 are otherwise dismissed.
3. Pursuant to r 56.02(3) of the Rules, the time for commencement of the proceeding is extended to 7 March 2024.
4. The trial of the proceeding is listed for one day on **19 July 2024** before the Honourable Justice Richards.
5. By **4:00pm on 22 May 2024**, the plaintiff is to file and serve written submissions addressing:
 - (a) the legal basis for the proposed proceeding in the Magistrates' Court;
 - (b) whether the decision of the Magistrates' Court that the proposed proceeding would be an abuse of process was affected by jurisdictional error; and
 - (c) the relief sought in this proceeding.

59

6. By **4:00pm** on **21 June 2024**, the second defendant is to file and serve written submissions in response.
7. By **4:00pm** on **5 July 2024**, the plaintiff is to file and serve any written submissions in reply.
8. There is no order as to costs.

You will see that a similar notice was given to the CEO of the Supreme Court of Victoria and that a timely and helpful reply was received from Security Manager Liam McIntosh who nominated G4S Security Advisor Kadin Park to meet Us at the security check and escort us to the Courtroom.

Kadin kindly introduced himself to Us outside the Courthouse prior the smoking ceremony and he and an assistant Barbara managed the process smoothly, respectfully and amicably.

2. Notice of Visit by Judge and Documentation Unit to Camp Sovereignty

(see maps at pages 12 and 13 of attached affidavit).

Please see the attached Interlocutory Application and supporting affidavit as lodged at 11.40am with eLodgement ID 1351620 and "pending" (pending status possibly because of technical glitch-- unable to update as requested by system; please see correspondence at 11.40am and 12.09pm as reproduced below).

Please note the helpful response of the Supreme Court of Victoria recently re the smoking ceremony at 9.30am on Friday 19 July 2024 prior to the 10.30 hearing before the Honourable Justice Richards as set out in the correspondence exhibited in the said supporting affidavit.

If the Honourable Justice McEvoy opts to hold the 10am hearing at Camp Sovereignty (the preferred option, see paragraph 1 of orders sought in said interlocutory application) then there will be no smoking ceremony as described above. Smoking business will occur at Camp Sovereignty

If the said judicial officer opts to hold the said hearing by videoconference to Camp Sovereignty then there will be no smoking ceremony as described above. Smoking business will occur at Camp Sovereignty.

Obviously it would be helpful to know by Wednesday 7 August 2024 what the said judicial officer decides-- in the absence of any clear direction on the hearing location the planned smoking ceremony will go ahead at 9am on the forecourt prior to attending the courtroom on level 7. An application will still be made at the commencement of the courtroom hearing that the judicial officer and your court proceedings documentation unit attend at Camp Sovereignty for (a) further hearing or (b) partial hearing or (c) informational visit to understand affidavit evidence and submissions-- so the Court may want to make arrangements for these options too.

Powers of a Registrar

Under the [Federal Court of Australia Act 1976](#) the Court or a Judge may direct that a Registrar may exercise certain powers of the Court. These powers, listed in Schedule 2 of the Federal Court Rules 2011, include:

- the power to dispense with the service of any process of the Court;
- the power to make orders in relation to substituted service;
- the power to make orders in relation to discovery, inspection and production of documents in the possession, power or custody of a party to proceedings in the Court or of any other person;
- the power to make orders in relation to interrogatories;
- the power, in proceedings in the Court, to make an order adjourning the hearing of the proceedings;
- the power to make an order as to costs (only in relation to costs of or in connection with an application heard by a Registrar);
- the power to make an order exempting a party to proceedings in the Court from compliance with a provision of the Rules of Court;
- a power of the Court prescribed by the Rules of Court.

A Registrar may also be directed to exercise a power of the Court under the [Bankruptcy Act 1966](#), [Corporations Act 2001](#), [Australian Securities and Investments Commission Act 2001](#) or other legislation. These powers are listed in Schedule 2 of the Federal Court (Bankruptcy) Rules 2005 and Schedule 2 of the Federal Court (Corporations) Rules 2000.

Exercise of power

A Registrar must exercise these powers according to law in a fair and impartial manner. A Registrar is not subject to the direction or control of any body or person in relation to the manner in which the Registrar exercises the power.

Reference to a Judge

An application that is to be dealt with by a Registrar must be referred for hearing by a Judge if:

- a party to the proceeding makes an application to the Registrar that the matter be determined by a Judge – such an application may be made orally to the Registrar; or
- the Registrar considers it is not appropriate for a Registrar to determine the application.

Review of a Registrar's decision

The Court may review a Registrar's decision on its own motion or upon a party applying for a review.

Subject to any order by the Court, an application for review must be made by filing an interlocutory application in accordance with Form 35 in Schedule 2 to the [Federal Court Rules 2011](#) within 21 days of the Registrar's decision.

A party seeking a review must pay the fee prescribed by the [Federal Court and Federal Circuit and Family Court Regulations 2022](#) unless the party qualifies for a fee reduction.

When reviewing a Registrar's decision, the Court will rehear the application that led to the decision. This means the Court may hear all the evidence and submissions (including additional evidence and submissions that may not have been presented to the Registrar)

Dear Uncle Robbie Thorpe

Uncle Robbie Thorpe v Judicial Registrar Alicia Ditton – Federal Court of Australia – Proceeding No. VID 589/2024

We act on behalf of the Commonwealth Attorney-General. We refer to our letter of 22 July 2024, responding to your notice of a constitutional issue, which gave notice that the Attorney-General will not intervene in this proceeding or apply to remove the cause to the High Court. We also refer to your interlocutory applications dated 12 and 15 July 2024 and affidavits in support sent to us on 1 August 2024.

The Attorney-General does not consent to being joined to this proceeding as a respondent. The Court must be satisfied joinder is 'necessary' to ensure that each issue in dispute is able to be heard and finally determined,¹ which does not mean merely 'convenient'; it must be *essential* to determine the questions which arise.²

The filed documents in our possession disclose that the Attorney-General's presence is not necessary to determine the issues in this application for review of the Judicial Registrar's refusal to accept documents for filing. Joinder of the Attorney-General would not alter the questions raised or how those questions are resolved.³ The application is not one for review of a decision of the Attorney-General, and the orders sought in the review application do not directly affect his interests (even if he was named in the original documents sought to be filed in the Court),⁴ particularly if the Judicial Registrar's decision under review relates to documents found to be 'an abuse of the process of the Court' or 'frivolous or vexatious' (in the sense that they do not to disclose a properly stated cause of action and they do not have any prospects of success).

Yours sincerely

Second Respondent**

Re: your letter attached to an email at 4.48pm late yesterday afternoon, Tuesday 6 August 2024, from constitutional.litigation@ags.gov.au to vicreg@fedcourt.gov.au

1. Do you accept that the usual practice where judicial review is sought against a court is for the court to take no active part (in the event the successful applicant for judicial review appears in the court) and the relevant Attorney-General is added as the active respondent in your so-called adversary system of justice to represent the relevant State, Territory or Commonwealth of Australia having jurisdiction over the court.?
2. Do you accept that this recent example set out below is an acceptable legal precedent illustrating this well-settled justice procedure?

EXAMPLE

The King Charles Aboriginal Genocide Case

aka *Uncle Robbie Thorpe v Magistrates Court of Victoria and Attorney-General of Victoria*,
Supreme Court of Victoria S ECI 2024 01011, judgement reserved 19 July 2024.

On 7 March 2024 I sought judicial review in the Supreme Court of Victoria of a decision in the Melbourne Magistrates Court on 29 December 2023 of Senior Registrar Matt Dalton.

On 19 March 2024 the Director of the Legal Policy Unit of the Magistrates Court of Victoria entered a *Hardiman* appearance (copy of appearance attached below at page 3).

On 22 April 2024 the Honourable Justice Richards ordered the Attorney-General of Victoria to be added as the second defendant (copy of order attached below pages 4-6).

Her Honour said (at lines 15-28 on page 18 of the transcript):

“I do consider that it is necessary to have a representative of the State before the court to ensure that all questions in the proceeding are effectually and completely determined. In my view, that officer is the Attorney-General who should be joined as a defendant to the proceeding. And so I'll make an order under Rule 9.06(b)(i) of the Supreme Court (General Civil Procedure) Rules that the

Attorney-General for Victoria is joined as the second defendant to the proceeding, and the court will attend to notifying the Attorney-General through the Victorian Government Solicitor's Office of that order. And when I do that, I will propose a timetable for the hearing of the proceeding and the exchange of written submissions.”

3. Do you accept that Attorney-General Dreyfus is the current **first law officer** of the Commonwealth of Australia and that the Federal Court of Australia is part of the **portfolio** of the Attorney-General of the Commonwealth of Australia?

See the website pages directory.gov.au/portfolios/attorney-generals (copy attached p 7), anao.gov.au/work-program/portfolio/attorney-generals (copy attached p 8 with link to...) ag.gov.au (copy attached pages 9 and 10).

4. Do you accept that Attorney-General's legal officers Assistant Policy Branch Secretary Susan McKeag, Assistant Secretary Office of International Law Stephanie Ierino and Director Criminal Law Policy Branch Christopher Malone— who appeared as witnesses at last week's Senate hearing on Tuesday 30 July 2024 into the Genocide Amendment— and many other such officers are part of the resources that the Honourable Mark Dreyfus uniquely is able to utilise to ensure that **all** questions in the proceeding are **effectually** and completely determined.

5. Do you accept that my Aboriginal genocide evidence at that said hearing¹ demonstrates that the declarations sought in these proceedings and the clarification of the constitutional questions in my S 78B notice are urgently required to resolve fundamental, rights, duties and liabilities between Our Aboriginal community and your wider “stray-alien” community— as well the international justice community including the International Criminal Court and the UN's International Court of Justice? (See also my corroborating Aboriginal genocide evidence at the current truth-telling royal commission²)

6. Do you accept that Aboriginal genocide is ongoing right now? Do you accept any responsibility to stop and prevent the ongoing Aboriginal genocide? Do you know about **Camp Sovereignty** (copy Senate Hansard 26.2.24 extract attached below at page 12) or the current *Crown References Amendment Bill* (copy attached below at pages 12-13)?

8. You talk of “consent” and say Attorney-General Dreyfus does not “consent” to be added as a respondent. His consent is irrelevant. But isn't it time you genocidal non-Aboriginals at least asked for **Our** consent to occupy Our Lands and usurp Our Law?

By email: principalregistry@supcourt.vic.gov.au

Dear Principal Registrar,

**Re: Thorpe v Magistrates' Court of Victoria
S ECI 2024 01011**

The Magistrates' Court of Victoria has been served with an Originating Motion, Affidavit and Summons in this matter.

I formally enter an appearance on behalf of the Magistrates' Court of Victoria and advise that the Magistrates' Court of Victoria does not intend to take an active role in the proceedings and will abide by the decision of the Supreme Court in accordance with the principles enunciated in *R v Australian Broadcasting Tribunal, ex parte Hardiman & Others* (1980) 144 CLR 13.

The Magistrates' Court of Victoria does not intend to be represented at the hearing. However, in the event that the Supreme Court is considering an order for costs against the Magistrates' Court of Victoria, the Magistrates' Court of Victoria would seek an opportunity to be heard prior to the making of such an order.

I would be grateful if you could place this letter on the Supreme Court's file. I would also be grateful to receive a copy of any decisions of the Supreme Court relating to this matter.

Yours faithfully,

Kate Clark
Director, Legal Policy
Magistrates' Court of Victoria

IN THE SUPREME COURT OF VICTORIA
AT MELBOURNE
COMMON LAW DIVISION
JUDICIAL REVIEW AND APPEALS LIST

S ECI 2024 01011

BETWEEN:

ROBERT THORPE

Plaintiff

- and -

MAGISTRATE'S COURT OF VICTORIA

Defendant

ORDER

JUDGE: The Honourable Justice Richards
DATE MADE: 22 April 2024
ORIGINATING PROCESS: Originating motion filed 7 March 2024
HOW OBTAINED: At the hearing of the plaintiff's summonses filed 12 March 2024, 25 March 2024, and 26 March 2024
ATTENDANCE: The plaintiff appeared in person with Mr L Lindon
No appearance for the defendant

OTHER MATTERS:

- A. On 20 October 2023, the plaintiff sought to file in the Magistrates' Court of Victoria a summons and charge sheet against Charles Phillip Arthur George Windsor for the offence of genocide, contrary to First Peoples Sovereign Laws, the common law of the State of Victoria, and s 268 of the *Criminal Code Act 1995* (Cth) (proposed proceeding).
- B. On 29 December 2023, the Magistrates' Court refused to issue the proposed proceeding. The reason given was that 'The proper source of law has not been particularised and the proposed accused may be misled or otherwise prejudiced by this omission' and in the circumstances the issue of the proposed proceeding would be an abuse of process.
- C. On 24 January 2024, the plaintiff sought to appeal that decision to this Court under s 272 of the *Criminal Procedure Act 2009* (Vic). The plaintiff's proposed notice of appeal was rejected as irregular. On or about 26 February 2024, the plaintiff sought to commence this proceeding. His initial filing was rejected because it named a number of defendants who the Prothonotary considered to be unnecessary. The plaintiff refiled his originating motion on 7 March 2024, naming only the Magistrates' Court as a defendant, and it was accepted for filing.

- D. The Court was satisfied that there is an adequate explanation for the delay in commencing the proceeding and there are special circumstances that justify extending the time for commencement of the proceeding to 7 March 2024.
- E. On 19 March 2024, the Magistrates' Court filed a submitting appearance in this proceeding, in accordance with the principles enunciated in *R v Australian Broadcasting Tribunal, ex parte Hardiman* (1980) 144 CLR 13.
- F. The Court was satisfied that the Attorney-General of Victoria should be joined as a defendant to the proceeding, on the basis that, as the first law officer of the State of Victoria, her presence is necessary to ensure that all questions in the proceeding are effectually and completely determined and adjudicated upon.
- G. For the purposes of this proceeding, the Court will assume that:
- i. the sovereignty of the First Peoples in Victoria was never ceded; and
 - ii. all Judges of this Court, past and present, have pledged allegiance to the Crown.
- H. Accordingly, the Court will not grant leave to issue any subpoena or require responses to any notice to produce or notice to admit directed to establishing those matters.
- I. The Court was satisfied that the technical requirements in s 42G of the *Evidence (Miscellaneous Provisions) Act 1958* (Vic) were met and that it was appropriate to conduct the hearing on 22 April 2024 by audio-visual link.

THE COURT ORDERS THAT:

1. Pursuant to r 9.06(b)(i) of the *Supreme Court (General Civil Procedure) Rules 2015*, the Attorney-General of Victoria is joined as second defendant to the proceeding.
2. The plaintiff's summonses filed 12 March 2024, 25 March 2024, and 26 March 2024 are otherwise dismissed.
3. Pursuant to r 56.02(3) of the Rules, the time for commencement of the proceeding is extended to 7 March 2024.
4. The trial of the proceeding is listed for one day on 19 July 2024 before the Honourable Justice Richards.
5. By 4:00pm on 22 May 2024, the plaintiff is to file and serve written submissions addressing:
 - (a) the legal basis for the proposed proceeding in the Magistrates' Court;
 - (b) whether the decision of the Magistrates' Court that the proposed proceeding would be an abuse of process was affected by jurisdictional error; and
 - (c) the relief sought in this proceeding.

6. By 4:00pm on 21 June 2024, the second defendant is to file and serve written submissions in response.
7. By 4:00pm on 5 July 2024, the plaintiff is to file and serve any written submissions in reply.
8. There is no order as to costs.

FORTY-SEVENTH PARLIAMENT
FIRST SESSION—FIFTH PERIOD

BY AUTHORITY OF THE SENATE

Camp Sovereignty

Senator THORPE (Victoria) (13:53): Today I want to talk about Camp Sovereignty, whom I spoke to this morning. Camp Sovereignty is a place of resistance on what is known by the colonisers as Kings Domain. It has been a place of cultural significance for our people for millennia. It was re-established on 26 January this year, the day of mourning. The Black GST, focusing on genocide, sovereignty and treaty, originally established Camp Sovereignty in 2006 to highlight these fundamental issues. It was established by my mum, Marjorie Thorpe, Professor Uncle Gary Foley, Uncle Robbie Thorpe, and Targan and Clare Land. It was during the stolen-wealth games. The irony of so-called 'Commonwealth' does not apply to First Peoples. We are still fighting for basic equality. Since 26 January, a sacred fire has been burning on these significant grounds, representing the continuing presence and ongoing resistance of our people. Camp Sovereignty is a place for First Peoples to gather but is welcoming to all. It's a place for community, healing and culture.

Places like this are needed more than ever in this country. Data shows imposed government models like the one we have here continue to fail our people. Community led and driven initiatives have better outcomes, especially when they come from respected elders and experts. I stand in solidarity with my uncle Robbie Thorpe, who has

promised to stay at Camp Sovereignty to continue the resistance until the land is handed back to its traditional custodians, its true sovereigns. The sovereignty here is not real. We are the true sovereigns, and we want our land back.

THE SENATE

Crown References Amendment Bill 2023

(Second reading amendment to be moved by Senator Thorpe)

Omit all words after "That", substitute:

- (a) the Senate recognises that:
 - (i) Aboriginal and Torres Strait Islander peoples have never ceded Sovereignty, and therefore are the true Sovereigns over these lands, waters and skies,
 - (ii) the Sovereignty of Aboriginal and Torres Strait Islander peoples means an unceded right held in collective possession by the members of Aboriginal and Torres Strait Islander nations which confers usage, access and custodianship to the lands, waters, minerals and natural resources of what is now known as Australia, and the right of Aboriginal and Torres Strait Islander peoples to exercise an unimpeded and collective self-determinate governance over their political, economic and social affairs,
 - (iii) horrific events and a legacy of genocide, dispossession and enslavement of First Peoples have occurred since colonisation in the name of the British Crown,
 - (iv) in order to move forward from this horrific past, we must establish a National Truth and Justice Commission to tell the true history of what has happened on these lands since British invasion,
 - (v) while First Peoples seek justice for the genocide and crimes against humanity that they have been, and continue to be, subjected to, reparatory justice must involve holding to account the British Crown for the atrocity crimes committed in its name, and
 - (vi) the government of so-called Australia must commit to Treaty negotiations with all Sovereign First Nations as a matter of urgency; and

-
- (b) further consideration of the bill be deferred until the first sitting day after the Government tables a letter in the Senate from the King or the Governor-General, on behalf of the King, outlining the King's commitments to immediately:
- (i) start a process for administering reparations for the oppression of First Peoples, including the plundering of resources, denigration of culture and to redistribute the wealth that underpins the Crown back to the peoples from whom it was stolen,
 - (ii) repatriate all remains of collective First Peoples that reside in UK museums and institutions and that represent their family histories, genealogies, cultural history and spiritual ancestry,
 - (iii) return all cultural treasures and artefacts stolen from First Peoples throughout the hundreds of years of genocide, enslavement, discrimination, massacre and racial discrimination by the authorities empowered by the protection of the British Crown,
 - (iv) acknowledge and adopt, on behalf of the Royal Family, the renunciation of the 'Doctrine of Discovery' made by Pope Francis in April 2023 and to start the process of consultation and reparations for the First Peoples who suffered the consequences of genocide in fulfilment of that doctrine in the name of God, and
 - (v) start the conversation on slavery's enduring impact.
