Dear Uncle Robbie,

Thank you very much for assisting the Legal and Constitutional Affairs Legislation Committee at its public hearing yesterday.

In the next few days, we will be forwarding to you a proof transcript of the hearing for typographical corrections and answers to any questions that you took on notice at the hearing.

In the meantime, Senator Thorpe has asked that we provide you with the written questions on notice below:

1. You have repeatedly questioned Australian courts having jurisdiction over the unceded Sovereign lands of this continent's First Peoples. Why is that and what does this mean for the prosecution of Genocide here?
2. You have previously mentioned that Ecocide follows Genocide, and that suicide follows it all. Can you explain what you mean by that?

If would be greatly appreciated if you would please provide a response to these questions by **Tuesday, 27 August 2024**.

Please let me know if you have any queries.

Thank you and regards,

Monika
