Please also refer to my evidence volumes 1 to 9 submitted to the current Royal Commission of King Charles III of England into crimes against First Peoples from Colonisation to 2023 by his monarchy family institution and his colony of State of Victoria online at <https://crimesceneaustralia.com/royal-commission-to-summons-top-government-officials-denying-sovereignty-of-first-peoples/> including this memo.

You are now commanded to resource the first ever BIG MEETING OF ALL FIRST PEOPLES commencing on Friday 26 January 2024 at Camp Sovereignty formerly known briefly as your colonial Government House but always was always will be First Peoples.

We need our time to do our ceremony and begin to heal from your multigenerational genocidal crimes against Us and your ecocide against Our Lands and Our Laws.

You have always prevented Us meeting together without any interference by you in Our Business since you invaded Our Lands in your War Of Aggression.

But now that is over. You surrendered unconditionally on 27 April 2023 when you finally acknowledged in the the said Royal Commission that Our Sovereignty has never been ceded.

We are not interested in your latest attempt at assimilation, your fraudulent process you call Path To Treaty. You are the ones who need a treaty, not Us. You need an agreement from Us to be able to assimilate into Our Law. We know who we are and our obligations to care for Country and each other. Our Laws governed Us long before your lies about Native Title and Aboriginal Heritage trying to trick us into accepting your genocidal regime.

You can not kill us anymore. We are standing up and saying NO. This is Our Country and Our Law applies — not your colonial invaders law based on genocide, war crimes and your guns and money. You need to come to Us for grants and funding now. You need to accept responsibility for what you have done.

You may temporarily consider yourselves authorised to continue your system of government while We meet together at last without you interfering. We will let you know of our Sovereign decisions. In the meantime, please immediately enact the three pieces of legislation set out in the Proclamation of your surrender (see page 4.7).
